

Express Press Expands Selection of Polo Shirts for Custom Embroidery to Include Nike Golf Dri-FIT Series

Leading custom shirt purveyor Express Press is proud to announce the expansion in its selection of polo shirts available for custom embroidery, which now includes the Nike Golf Dri-FIT series.

Springfield, MO ([PRWEB](#)) August 15, 2014 -- Now with an even wider [selection of polo shirts](#) for both men and women, Express Press is adding the Nike Golf Dri-FIT series to its array of shirts available for custom embroidery. The [Dri-FIT series](#), according to the Nike website, is a “high-performance, microfiber, polyester fabric that moves sweat away from the body and to the fabric surface, where it evaporates. As a result, Dri-FIT keeps athletes dry and comfortable.”

- “Dri-FIT’s Body-Mapping fabric construction features strategically placed ventilation zones to allow air to flow and cool the body where you need it most.
- Dri-FIT UV works double-duty by also providing minimum UPF 30 ultraviolet protection so you can focus on your sport, not your sun care.
- Nike Pro apparel features durable and comfortable four-way stretch Dri-FIT fabric to move moisture away from your skin, helping you stay dry, cool and moving freely.”

Express Press offers Dri-FIT polo shirts for both men and women in an extensive selection of sizes and colors (including, but not limited to, Black, Chlorophyll, Fair Blue, Midnight Navy, Orange, Urban Haze, Varsity Red, Varsity Royal, and White) and as well as a large array of other brands, such as Gildan, Anvil, Hanes Stedman, Canvas, and Bayside.

[Express Press](#) also offers an incredible collection of graphics to choose from to have custom-embroidered on any of these polo shirts, and if the graphics don’t suit the client, the company’s expert graphic designer can work with the client to create the perfect design.
